NUAHT NA CROISE NAOFA

Voluntary Contribution and Exciting Yard Redevelopment

The Board of Management of Holy Cross School are planning an exciting redevelopment of one of our school yards in the coming months. We hope to completely redevelop the Rang 2 yard (beside the Montessori entrance), covering it in bright and child friendly astro turf similar to our fantastic junior yard. This will benefit all children in Holy Cross for years to come. Naturally, this comes at an expense and we hope that we can call on the generosity of our parent body to help us to reach our funding target and bring the project to fruition. I will be sending a letter to all families via Aladdin in the morning with more details. We ask all parents to read this letter and help in any way you can over the coming weeks - it is very much appreciated!

Míle Buíochas,
John McGrath

PHOTOS OF THE WEEK

This week's photos are of Rang 6 enjoying last week's fine weather as they enjoyed their hike to Ticknock.

GAA Arrangements this week

The GAA season continues apace this week with the final round of group games for two of our teams.

Our Junior Team take on Gaelscoil Laighean in Deerpark tomorrow, Tuesday, at 2pm. They will return to the school at 3:15pm for collection.

Our Girls Senior Team play Our Lady's Balinteer in Deerpark on Wednesday at 1:30pm. They will return to the school at 3pm for collection.

Our Boys Senior Team have received a walkover in their final group game. This means that the team have topped their group and we now eagerly await the fixtures for the next round of their competition. Instead of a match this week, there will be training for all 5th and 6th class boys at 8:20am on Thursday morning in the senior yard.

Best of luck to all players this week - Holy Cross abul

Flu Vaccinations for Pupils

This year, supported by the HSE, primary school children are being offered the flu vaccine in school. The vaccine will be provided by McCabes Pharmacy. We will have further information for parents in the coming weeks on how to register your child if you wish to do so. The date that the vaccines will be administered is Thursday October 17th.
