NUACHT NA CROISE NAOFA

A Busy Final Term

The final school term continues apace and we are all hopeful that the fine weather stays with us over the next few weeks! We were especially glad of the sunshine last Wednesday when we had such a huge turnout on our Family Walk in Marlay Park.

Some of the info in this week's Nuachtlitir contains;

Santry Athletics arrangements

PHOTO OF THE WEEK

This week's photo is of one of our Rang 5 pupils getting to know one of our special guests last week. More photos of the Heritage Ireland visit later in the Nuachtlitir.

Santry Athletics

The Cumann na mBunscol Athletics Competition will take place next **Thursday 22nd** in Morton Stadium, Santry. Training will take place this **Wednesday 14th** after school in Rosemount Park. Training is for boys and girls in Rang 5 and Rang 6 only. Children will return to school for collection at 3:30pm.

We will be sending two teams based on age parameters set by the organisation. The u12 category is for children born in 2013 and the u14 category is for children born in 2011/2012. The teachers ask that children know which age category they fall into before training on Wednesday please. There will be a separate competition for boys and girls.

As only five (4 on the relay team and one sub) are allowed to travel to Santry, children must understand that they may not qualify to travel with large numbers competing for places. The sub may not run in Santry and must be aware of this before they accept a place.

Enrolments next year

We currently have waiting lists for each class in our school. If any family is planning on re-locating over the summer months and will not be with us next September, please let us know in the office - míle buíochas.

GAA this Week

The Hurling season continues for two of our teams this week.

Tomorrow, Tuesday, the Junior team play St. Attracta's at 2:00pm in Broadford. They will return to the school for collection at 3:30pm.

The Senior Boys team play Carysfort NS in Naomh Olaf GAA Club at 2:30pm on Thursday. They will return to the school for collection at 3:45pm.

Heritage for Schools

Mr. Kelly kindly arranged for Jesmond from the Heritage Council to visit the school last Tuesday with some very special guests! The children learned about rare moths, caterpillars and even newts!
