

23<sup>rd</sup> February 26

# NUACHT NA CROISE NAÓFA

**Reminder: The school will be closed on Wednesday 4<sup>th</sup> March for a staff curriculum planning day.**

We are delighted to welcome everyone back to Holy Cross after the mid-term break. We hope that all our families got a chance to relax and are full of energy for what promises to be a busy second half to this school term.

## **Easter Art and Sport Camp at Holy Cross**

The Easter Art & Sports Camp at Holy Cross is back this year. The camp will run from Monday March 30<sup>th</sup> - Thursday April 2<sup>nd</sup>. You can sign up using the link below.

# PHOTO OF THE WEEK

Rang a 6 have been conducting experiments learning about the circulatory system.

## Parents Association Movie Night Fundraiser

This Friday, 27th February sees the return of the PA Movie Night in Holy Cross. It is always a very enjoyable night for the children as well as providing parents with a bit of quiet time on a Friday evening!

The Movie Night will run from 6pm-8pm in the school. The children will be divided into different groups based on their class to watch a movie with their friends.

To avoid big queues at the front door we will use the same entrance system as last year where children can enter with their parents via the two white doors to the senior corridor at the front of the school (to the right of the blue porch) and parents can then pay and leave via the blue porch. Children can be collected in the front yard at 8pm.

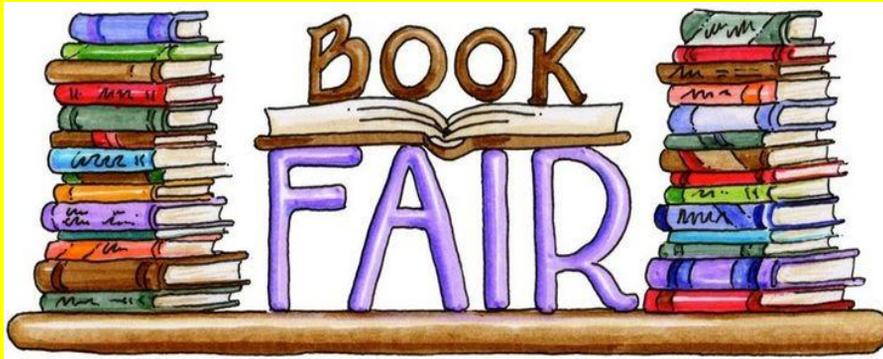

The children can bring a treat along for themselves but we would ask that they do not come along with items for sharing and keep the amount of treats at a "sensible" level! Bringing along a bottle of water would also be a good idea.

The children do not have to wear the school uniform on the night but please be mindful of wearing clothes that won't cause them to overheat.

The cost on the night will be €10 for one child, €15 for two or €20 for three or more (cash only). The staff car park will be open on the night as will the gate to the County Council car park at the rear of the school.

## School Book Fair

With Book Week taking place next week, Holy Cross are hosting our annual Book Fair later this week and early next week.

This is a chance for the children to buy some books if they wish. All direct sales benefit the school - last year we ended up with a whopping €1,500 to spend on new books!

The children will get a chance to view the books on Thursday and can then buy them on Friday and Monday. There is no obligation to purchase the books.

To make things a little easier for the Junior and Senior Infants parents, the Book Fair will be open to the parents of these classes on Friday, 27<sup>th</sup> February from 1:30pm to 2:30pm. Junior and Senior Infants parents are welcome to come in at this time with their children to purchase books if they wish. Prices range from €7.00 to €13.00.

It would help if the younger classes brought in the exact money in an envelope or purse as they can lose change easily.
