

Maths at our house

This website provides some ideas for using everyday experiences and resources in the home to raise mathematical awareness. It includes ideas for supporting your children's learning in all areas of mathematics: geometry, measurement, statistics, algebra and number.

NRICH

NRICH website (Lower Primary)

NRICH website (Upper Primary)

Engaging mathematical activities and problems to solve.

Math Playground

Various Maths activities suitable for children at primary school level.

Mathszone

Maths resources from various sites are placed together in sections to form a bank of interactive games and activities for teaching numeracy in primary schools.
