# NUAHT NA CROISE NAOFA

## Family Mass Team in Holy Cross Church

The Holy Cross Family Mass team is gearing up again after the Summer break. The Family Mass takes place every Sunday at 10:30am in Holy Cross Church. All children, parents/guardians and grandparents are welcome to come along. The Family Mass team would love to have more parents/guardians and children involved each week. If you and/or your child would like to get involved in reading, bringing up symbols or becoming an altar server, please contact [holycrossfamilymass@gmail.com](mailto:holycrossfamilymass@gmail.com) or the Parish Office for more information. Please note that children must be at least 7 years old to become an altar server but no other age requirement exists for the other roles.

## PHOTO OF THE WEEK

We had a very special flag raising ceremony in Holy Cross last week. Both our Green Schools committee and our first ever Amber Flag committee got together to proudly raise our new flags which are recognition of all the hard work that was carried out by the students and staff. A great day for Holy Cross!!

## GAA Arrangements this week

Well done to our two Senior Teams who began their seasons last week.

We have a bumper week of action in store this week with all three teams in play.

The Junior Team will play John Scottus School in Clanna Gael's ground in Ringsend at 2pm tomorrow, Tuesday. They will return to the school at 3:40pm for collection.

The Girls Senior Team will play Mount Anville in Glenalbyn at 3pm on Wednesday afternoon. They will return to the school at 4:15pm for collection.

The Boys Senior Team will play Our Lady of Good Counsel, Johnstown in Thomastown Road at 3pm on Thursday. They will return to the school at 4:30pm for collection.

We wish all of our teams all the very best - Holy Cross Abú!

## Holy Cross Wormery

Well done to all of the students from Rang 4 and our Green Schools Committee for their continued work on our wormery. The worms breakdown fruit and vegetable peels which can then be used as compost in our gardens. They need a lot of minding so a special word of thanks to Paul and in particular, Mr. Kinsella who made sure the worms got plenty of food over the summer!
