## Parent / Teacher Meetings November 2024

Many thanks to everyone for booking in your meetings with the teachers last week. We are very much looking forward to welcoming parents to the school this Wednesday 20<sup>th</sup> and Thursday 21<sup>st</sup>.

**After school activities on both days (Active Sports on Wednesday and Short Tennis on Thursday) will run as usual on these days.**

If you have requested a phone call meeting on either of the days please note that teachers will be calling you from a blocked or private number. Please answer any such call at your allotted time.

For any parents coming to the school who may be unfamiliar with the layout or where the classrooms are, we will have everything well signposted for you!

## PHOTOS OF THE WEEK

Well done to all our families who donated so generously to the Team Hope shoe box appeal. Your generosity will be appreciated by many less fortunate families in the weeks to come!

## Science Week 2024

Science Week 2024 was another fantastic success. We had trips to Airfield, experiments galore and a very special Tionól performance from Ms. Faulkner's Rang 6. I would particularly like to thank parents Monica, Simone and Yseult for taking the time to visit our school and provide fun and engaging Science lessons for the children. Special credit must also go to Mr. Eoin Fitzgerald for his efforts organising all the various events and activities!
