Many of our classes had a great time making St. Brigid's Crosses last Thursday for St. Brigid's Day. Pictured above we have Mr. Kelly's Rang 3 (and helping hands!) making their own traditional crosses.

Safer Internet Day 2024

Today, Tuesday 4th February is Irish Safer Internet Day. The theme for Safer Internet Day 2024 is "Tech in our World". Webwise are running a series of webinars for parents throughout the month of February that can be accessed via their website. It also may be a good time for families to recap on conversations about safe internet and device usage in your household. Our Holy Cross Parents Cyber Smart charter that was launched in October may be a useful starting point for these discussions.
