

1st November 2021

NUAHT NA CROISE NAOFA

A very warm welcome back to all our students and staff members. I hope everybody enjoyed the well-deserved mid-term break.

A few reminders for the coming weeks. With the increased number of Covid 19 cases in the country and in particular, the primary school age cohort, it is particularly important that we keep up best practice with regard to Covid prevention. Teachers and SNA's will continue to promote good hand hygiene and ventilation practices in school. With the increased prevalence of Covid in our community it is important that parents continue to err on the side of caution and not send their child to school if they are displaying any symptoms of Covid 19. The school will continue to follow all guidance from the Department of Education and the HSE to ensure our school is a safe place for children to learn and play.

PHOTO OF THE WEEK

Well done to our two winner's of the Holy Cross Way Raffle featured in our Photo of the Week. Please see next page for the full list of all of last month's nominees!

The Holy Cross Way Roll of Honour

As you know, each month we are choosing an element of the Holy Cross Way to focus on. In October, we chose "Try Your Best". Every week in October, teachers nominated two students who they felt went above and beyond to set an example for their peers when it "Trying Your Best". These winners were congratulated each week during our Tionól and the names were entered into our monthly raffle. Congratulations to all our nominees listed below. Well done for living the Holy cross Way! The aspect of the Holy Cross Way we have chosen for this month is "Include All".

Swimming Lessons

This week will be the last week of swimming lessons for Ms. Reilly's Rang 1 and Ms. Fogarty's Rang 3. From next Friday 12th November, Ms. Kearns' Rang 5 and Mr. Kelly's Rang 2 will begin their swimming lessons in DLR Meadowbrook. There will be further information sent to parents of children in these classes later in the week.

Warm Clothes

With the weather getting a little colder and because of our increased ventilation, we would advise all children to wear a vest to school and ensure that they have the correct school coat with them each day. We will have the heating blasting every morning to keep us all as warm as possible!
